SUB: MATERIAL INFORMATION

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information that The Government of United Arab Emirates has restricted export of fresh chilled meat via sea from Pakistan with effect from October 10th, 2023.

The reason for this restriction was that one of the meat exporters not being The Organic Meat Company Limited exported sub-quality fresh chilled meat to UAE via sea.

The restriction is only on fresh chilled meat exports and shipments via sea and not via air. Further, there are no restrictions on either frozen or Vacuum packed fresh chilled meat shipments and exports to the UAE via sea.

The Organic Meat Company Limited is pleased to announce that our company has extensive facilities to supply frozen and Vacuum packed chilled meat products to our UAE customers and prospects. We will maintain our sea route for this purpose, which will not affect our revenues and margins.

You may please inform the TRE Certificate Holders of the Exchange accordingly.

Yours sincerely,

For The Organic Meat Company Limited

IMRAN KHAN
Company Secretary
