Subject: Material Information

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

It has also come to our attention that on May 14th, 2023, another article titled "Pakistan to start boiled meat export to China" was published by Express Tribune on <https://tribune.com.pk/story/2416640/pakistan-to-start-boiled-meat-export-to-china>. This article contained the same error as our previous correction notice mentioned, the article stated that three processing plants, namely Fauji, Tata, and Green, set up in Karachi had already been approved by the concerned authorities of China, highlighting their good reputation and capacity. However, we would also like to clarify and update the correction to the above-mentioned information published at <https://tribune.com.pk/story/2416640/pakistan-to-start-boiled-meat-export-to-china>. Factually, The Ministry of National Food Security and Research has proposed three companies to the Chinese ministry for consideration. These companies are The Organic Meat Company Limited, Tata, and Fauji.

Yours Sincerely,

SUB: MATERIAL INFORMATION

Dear Sir,

In accordance with the provisions of Section 96 of the Securities Act 2015 and Section 5.6.1 of the PSX Rule Book, we hereby issue this correction notice in addition to the information provided in our earlier notice, which was uploaded on <https://dps.psx.com.pk/announcements/companies> today i.e., 15-05-2023. This correction is classified as Material Information.

It has also come to our attention that on May 14th, 2023, another article titled "Pakistan to start boiled meat export to China" was published by Express Tribune on <https://tribune.com.pk/story/2416640/pakistan-to-start-boiled-meat-export-to-china>. This article contained the same error as our previous correction notice mentioned, the article stated that three processing plants, namely Fauji, Tata, and Green, set up in Karachi had already been approved by the concerned authorities of China, highlighting their good reputation and capacity.

However, we would also like to clarify and update the correction to the above-mentioned information published in <https://tribune.com.pk/story/2416640/pakistan-to-start-boiled-meat-export-to-china>. Factually, The Ministry of National Food Security and Research has proposed three companies to the Chinese ministry for consideration. These companies are **The Organic Meat Company Limited**, Tata, and Fauji. It is important to note that the article's author misrepresented the status of the companies under approval by the Chinese authorities for the subject matter. Therefore, it is necessary to provide this correction to ensure accurate information reaches our TRE certificate holders and investors.

We would like to assure our stakeholders that we are committed to delivering precise and timely information consistently. Please disseminate this correction notice to all TRE certificate holders of the Exchange accordingly.

Yours sincerely,

For The Organic Meat Company Limited
